The Company conducted the services of an authorised financial service provider in terms of the Financial Advisory and Intermediary Service Act ("FAIS") and its activities fell under the supervision of the Financial Service Board ("FSB").

A & S King Makelaars (Pty) Ltd is one of a number of companies forming part of the King Group of Companies. The ultimate holding company of the King Group is King Financial Holdings (Pty) Limited which was, itself, provisionally wound up by Order of the Western Cape High Court, Cape Town, on 22 July 2009. This company was previously known as Biz Africa 1332 (Pty) Limited and, together with its subsidiary and associated companies, was engaged in the business of providing financial services and, more particularly, intermediary services in respect of the marketing and sale of financial products as defined in the Financial Advisory and Intermediary Service Act No 37 of 2002 (*"The FAIS Act"*).

The strategy implemented by the King Group was to purchase and develop properties which were then registered in one of the subsidiary companies. A&S King Makelaars (Pty) Limited was used to market and sell investments that were owned by the King Group. The financial products which A&S King Makelaars offered to its clients were shareholdings, shareholders' loans and investment products in the subsidiary companies.

SECTION 402(b)

Causes Of The Company's Failure

As stated above the Company was but one of the companies within the King Group of Companies whose ultimate holding company was King Financial Holdings (Pty) Limited (formerly Biz Africa 1332

A & S KING MAKELAARS (PTY) LTD (IN LIQUIDATION)
("the Company")

MASTER'S REFERENCE NUMBER : C769/2009

(Pty) Limited). King Financial Holdings (Pty) Limited was finally wound up pursuant to an application brought by one of the investors with the support of the Financial Services Board ("FSB").

The failure of the holding company inevitably led to the failure of its subsidiaries and many other associated entities within the King Group. In December 2008 the FSB conducted an inspection following the failure of A&S King Makelaars (Pty) Limited to submit the required statutory audit reports and financial statements. An extensive and complex inspection was performed and on 9 July 2009 a written report of the findings of the FSB was produced in which, inter alia, the following was stated:-

1. *"The King Group marketed and sold shares without registering prospectuses as required by the Companies Act.*
2. *The directors of SERVICES and HOLDINGS were aware of the fact that a prospectus was required.*
3. *The King Group sold more shares than it purported the company to be issuing and before it was converted to a public company.*
4. *In our opinion, the King Group has not acted in accordance with sections 20 and 75 of the Companies Act by selling shares that were not authorised whilst it had not been converted to a public company.*
5. *The King Group misrepresented available issued share capital and issued more shares in HOLDINGS than was initially presented to investors.*
6. *The King Group issued shares without the shares being paid up.*
7. *We are further of the opinion that the King Group contravened section 92(1), as well as section 93(3) of the Companies Act.*
8. *The King Group sold shares in HOLDINGS in blatant disregard of the requirements of the Companies Act due to financial problems.*
9. *The King Group exposed shareholders in HOLDINGS to risk by realising profits before completion of projects.*
10. *The King Group made misrepresentations in the "Share offering" used to market shares HOLDINGS to the public.*
11. *The King Group prejudiced some shareholders when the shares were reissued at a new price.*

A & S KING MAKELAARS (PTY) LTD (IN LIQUIDATION)
("the Company")

MASTER'S REFERENCE NUMBER : C769/2009

12. *The King Group provided us with contradictory information with regard to its financial position and NAV.*
13. *The King Group misappropriated client investments.*
14. *The King Group is technically and commercially insolvent as it is unable to pay its creditors.*
15. *The concerns of the King Group's clients are not being addressed.*
16. *The King Group negated its undertaking to the FSB to discontinue marketing and selling shares in HOLDINGS.*
17. *The King Group provided inadequate and/or incorrect client disclosures.*
18. *SERVICES contravened its licence conditions."*

Accordingly the FSB concluded:-

1. *"We recommend that the Registrar consider exercising his powers in terms of sections 5 and 6 of the FI Act.*
2. *It is further recommended that the Registrar withdraw the FSP licence of SERVICES in terms of section 10 of the FAIS Act due to the numerous irregularities referred to in this report.*
3. *We recommend that the Registrar urgently investigate the actions of the representatives of SERVICES who recklessly sold products in contravention of the FAIS Act and Companies Act. In our view some of these representatives do not conform to the requirements of fitness and propriety and should not be authorised to render financial services in any capacity.*
4. *We also recommend that the Registrar disclose the inspection report to the NPA and the DTI in terms of section 9 of the Inspection Act."*

On 16 July 2009 the FSP licence of A&S King Makelaars (Pty) Limited was withdrawn in terms of the FAIS Act. The King Group could thereafter no longer function effectively.

The demise of the holding company led to a series of winding-up applications being brought against most of the King Group subsidiary companies including the Company.
