CAUSES OF THE COMPANY'S FAILURE

The company's failure is attributed to the following:

The company was acquired as a shelf company with the intention to operate as a foundry in producing metal powder. The premises together with equipment were leased from Propnet. Due to the removal and absence of various crucial parts of equipment the foundry could however not operate as intended. As a result the company was unable to generate sufficient income to meet its obligations in respect of the various lease agreements.

REPORT TO THE MASTER IN TERMS OF SECTION 400 OF THE COMPANIES ACT
