

**BRAVOMATE (PTY) LTD**

**SWORN STATEMENT**

(In support of a Notice Beginning Business Rescue Proceedings)

I, the undersigned

**DAVID HERCULAS BOTHA**  
**IDENTITY NUMBER: 530903 507 908 6**

do hereby make oath and say:

- 1 I am a director of Bravomate (Pty) Ltd ("the Company") with registration number 2009/004178/07 and business address at Ground Floor, Six on Quantum, 6 Quantum Street, Technopark, Stellenbosch.
- 2 The contents of this sworn statement are true and correct and, unless stated otherwise, the facts contained herein fall within my own personal knowledge and belief.
- 3 I make this sworn statement in support of the Company's notice to commence business rescue proceedings as contemplated in terms of section 129 of the Companies Act 71 of 2008 ("the Act").
- 4 On 20 May 2014 I as only director of the Company resolved that the Company voluntarily commence business rescue proceedings as envisaged in terms of the Act. The resolution will be filed together with this sworn statement.
- 5 The relevant facts upon which the resolution were founded include:
  - 5.1 The Company's main business is that of a provider of loans to clients who do not qualify for mortgage loans from main stream financial institutions, due to their over indebtedness or due to impairment to their credit record. Bondpro Finance (Pty) Ltd, a registered company, acts as a service provider to the company with the aim to achieve rehabilitation of the clients

with the intention to eventually place the loans back with a main stream financial institutions or banks.

- 5.2 The Company receives its funding from outside funders and in terms of loan agreements, the claims of which in respect of the Company's loan agreements with its clients, are in some cases ceded to the respective funders.
- 5.3 One of the previous shareholders of Bondpro Finance (Pty) Ltd who went into liquidation during March 2011, has instituted an action against Bondpro Finance claiming an amount of R60 383 370.72 (Sixty Million Three Hundred and Eighty Three Thousand Three Hundred and Seventy Rand and Seventy Two Cents).
- 5.4 Due to the nature of the claim against Bondpro Finance as reflected in 5.3 above, Bondpro Finance was placed under Business Rescue in March 2014 with the view to restructure its affairs. The consequential status of and actions taken by Bondpro Finance, will have an effect on the Company.
- 5.5 Bondpro Finance (Pty) Ltd is also a debtor to the Company.
- 5.6 The Company has creditors in the amount of about R8,283,856.00
- 5.7 The Company derives its income from interest income payable by its clients as stipulated in the loan agreements. The total assets of the Company amounts to about R7,627,639.00, a portion of which is not performing and might not be recoverable in full.
- 5.8 The Company is therefore financially distressed as envisaged in terms of the Act.
- 5.9 The Company requires time in order to restructure its affairs, debt and equity so that the creditors of the Company are afforded maximum benefit.
- 5.10 Funding from sources such as shareholder loans and advances from Bondpro Finance has ceased. To date Bondpro Finance has made advances to the company in the order of about R600,000.00.
- 

- 5.11 The Company is faced with the situation where it needs to realise its assets or to procure further funding to best effect and to negotiate with its creditors which process will be best achieved under business rescue proceedings as envisaged in terms of the Act.
- 6 Accordingly and as envisaged in terms of the Act the Company is reasonably unlikely to be able to pay all its debts as they become due and payable within the immediately ensuing six months and/or the Company is reasonably likely to become insolvent within the immediately ensuing six months and is therefore "financially distressed" as defined in the Act.
- 7 There appears, in the opinion of the board of directors, to at least be a reasonable prospect that creditors will directly benefit from the Company being afford additional time to realise its assets to best effect.
- 8 Business rescue will allow the Company to realise its assets, procure additional funding or to achieve a compromise or come to an arrangement acceptable to its creditors and other stakeholders.
- 9 The Business Rescue process will allow for:
- 9.1 The temporary supervision of the Company, and for the management of its affairs, business and property;
- 9.2 A temporary moratorium on the rights of claimants against the Company or in respect of property in its possession;
- 9.3 The development and implementation, if approved, of a plan to realise the Company's assets will result in a better return for the Company's creditors or shareholders than would result from the immediate liquidation of the Company.
10. The Company will ensure the publication of this Sworn Statement and compliance with all statutory requirements for Business Rescue envisaged by the Companies Act.
